

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

PANCHAYAT RAJ & RURAL DEVELOPMENT DEPARTMENT – Creation of certain posts in Panchayat Raj Engineering Department – Orders –Issued.

FINANCE (SMPC) DEPARTMENT

G.O.Ms.No. 62

Dated: 21.02.2009.

Read the following:-

1. From the Engineer-in-Chief (PR), Lr.No.B.PR/II/22188/08, Dt.24-12-2008.
2. P.R. & R.D. Department U.O.No.29326/E.I.2/2007, dated. 21-2-2009.

-o0o-

ORDER:

The PR&RD Department have stated that at the time of bifurcation of Panchayat Raj Engineering Department into Panchayat Raj and Rural Water Supply & Sanitation Departments posts were allotted to RWS&S Department vide G.O.Ms.No.508, GA(Spl.A) Department Dt.18-7-07. It was also mentioned that a detailed scientific study will be carried out for sanction of additional posts. Consequent to the above, the need for additional posts have arisen in Panchayat Raj Engineering Department. The Engineer-in-Chief (PR) has informed that during this year, an amount of Rs.1176 crores was sanctioned by Government of India under PMGSY Phase VII. While sanctioning the projects under PMGSY, the Government of India is insisting on dedicated staff for execution of the sanctioned works in time under PMGSY. Hence there is every need of additional posts for implementation of various works on the grants allotted by GOI. Unless the additional posts are sanctioned, it is very difficult to execute the works, in time, sanctioned under various schemes and also to maintain the assets created.

2. Further the P.R. & R.D. Department have stated that the Engineer-in-Chief (PR) has informed that detailed study has been made in regard to the minimum number of posts that would be required to take up the developmental activities in PRED which mainly contributes in Social and Economic growth of rural people. The following factors have been taken into consideration keeping in view the instructions in G.O.Ms.No.168, Finance (W&M) Department, Dt.26-6-08 while working out the posts that would be required in PR Department:

1. Yard stick fixed by CGG for taking up works in project mode and scattered nature works.
2. To effectively implement the time bound programmes such as PMGSY, World Bank and NABARD in which the State would benefit by drawing the maximum possible funds to implement schemes which directly contributes in improving the economy of State.

3. Taking into consideration the above factors, the P.R. & R.D. Department have requested to consider for sanction of following additional engineering posts with an estimated cost of Rs.27.00 crores per annum and non-engineering posts with an estimated cost of Rs.26.00 crores per annum totaling Rs.53.00 crores to PRED for proper implementation and execution of various works sanctioned under different schemes.

(Contd...2)

1.	Chief Engineers	:	02
2.	Superintending Engineers	:	11
